

Rest easy with our Lifetime Warranty

Lifetime warranty

APQS longarm quilting machines are fully warranted to the original owner against defects in materials and workmanship for the lifetime of the product. If a machine ever fails due to a manufacturing defect – even after extended use – we will repair or replace the machine, free of charge.

Lifetime customer support

Your relationship with APQS won't end once you purchase one of our machines. You become a member of the APQS family! We have certified technicians, technical support teams and educators ready to assist you. In addition, our retailer network and online educational tools like our blog, training videos and forum provide added support to help you grow your quilting skills.

An impeccable reputation

Want to know what it's like to quilt on an APQS machine? Just ask an APQS owner. We've earned a reputation for quality and have designed our machines around quilters' needs. Whether you're a novice or an expert, we have a machine that's right for you.

We have the best team

APQS machines are handmade, one at a time, by master craftspeople. We pay meticulous attention to each and every detail.

We use the best materials

The long service life of an APQS machine is not something that just happens. Because our longarm machines are crafted with only the best materials and built by skilled craftspeople, your machine is like magic in your hands.

Other machines are made from cast materials that are quite heavy or plastic materials that are not as durable. All APQS longarms are built by hand with the finest grades of aircraft aluminum. This dramatically reduces the weight while maintaining integrity and strength, and virtually eliminates vibration. Our machines are incredibly lightweight, making them easier to move and easier to use.
